

Applications for the Board of Directors

The Board of SaskExpress is currently seeking applications for vacancies on the Board of Directors and/or various committees of the Board. Applicants with Board (particularly non-profit) or community organization experience as well as an interest in the advancement of performing arts for children and youth will be given preference. Additionally, it would be advantageous for applicants to also possess a background in marketing, accounting/finance, law, and fundraising.

SaskExpress is a charitable, non-profit organization dedicated to promoting the talented young people of our province. Since 1980 we have been making a difference in the lives of all who come through our unique program. We take raw talent and produce confident young adults with a formidable work ethic and a plethora of artistic skills. Many have gone on to enjoy professional careers in the arts but no matter what career they embrace they leave us prepared for success.

All candidates should have a genuine interest in SaskExpress, in providing opportunities for children and youth to gain self-esteem and confidence and in providing effective governance to the organization. Strong interpersonal skills and community connections are definite assets. All Directors must also be members of SaskExpress, so candidates are encouraged to sign up or renew memberships if needed.

The Board meets six to ten times per year and board members also serve on at least one Board committee (Audit/Finance, Governance, or Nominations). Applicants should be prepared to commit an average between 4 to 8 hours per month of their volunteer time. Successful candidates will be presented to the membership for election for positions commencing in the summer of 2019 for a two-year term, with eligibility for re-election for a subsequent two-year term.

If you are interested in becoming a member of the Board or one of its committees, or for more information on the organization and the role of the Board, please contact our Artistic Director/CEO, Danny Balkwill by e-mail at danny@saskexpress.com. All interested applicants are asked to complete an application form and submit a current resume outlining experience and skills no later than June 5, 2019.
