

## **MINI EXPRESS AND THE EXPRESSIONS**

### **2022-2023 Spring Info Package**

“Originality” is an original show that follows a group of kids who all struggle at school for different reasons. At one time or another, each of them has felt like an outcast, a weirdo, or a freak. These students come together to celebrate their originality, as they realize everyone is different. Showcasing a variety of musical genres and dance styles, this show highlights the importance of being yourself, and celebrating the differences of those around you!

*In addition to taking part in this exciting original musical, cast members will also participate in our Premiere show, Fundraiser, year-end recital, and a variety of other community events and performances. Spots are open to aspiring performers aged 8-16 living in Regina and surrounding areas. Previous registration at SaskExpress Studio – Regina is not required.*
