

Dear parents

March 20, 2023

Photo days are on April 4, 5, 6 as per our *Important dates*, that have been set out at the beginning of the year. Please take note that there will be **no normal classes on these days**, as we will need the studio space to dress, for the students that have multiple groups.

If the students have a bit of a wait between photos, they are welcome to bring their homework or even a snack, maybe a game or two to play?

I have arranged for the students that are **not able to attend** the Group photo shoot, to have a “make - up shoot” with *Silverswan Photography*. Please contact them directly to set up a date and time for a make-up shoot. You will be able to choose 2 solo photos.

Contact details: sales@silverswanphotography.ca nr: 306 539 9054

Silverswan will contact each family individually with their access code for their photos only. Free shipping will be provided up to a specific date. Parents can then choose the photos they would like from the website provided by *Silverswan*. Photos will be delivered to the studio, and pick-up will be arranged.

Hair and make - up: Please come with Hair and Make-up already done. Like on the hair and make-up sheet, or as much as your little one will allow you to do her hair and make-up.

This “Hair and Make-up sheet” can also be found on your parent portal in Jackrabbit. Go to your dancers class and click on the “resources” button.

Costume: Arrive in 1st costume if you have multiple costumes. If you only have 1 photo, please come dressed in that costume.

Tuesday, April 4th
