

WELCOME TO THE

STARS OF TOMORROW

DANCE COMPETITION

We are thrilled that you have chosen to include us as part of your competitive season!

There would not be a dance competition without the outstanding commitment of our steering committee. Thank you to each and every one of you for your efforts and dedication to ensure that our event is yet again a success, despite this year's unique challenges.

At SaskExpress, while we believe in the spirit of healthy competition, we also want to ensure that each and every dancer has a positive experience and can walk away with a sense of accomplishment, regardless of any score. We hope you enjoy your weekend with us, and hope to see you again at Stars of Tomorrow next year.

Best of luck, and have fun!
